

Hi,

My name is Susan Porter. I am running as a **write-in candidate** for the position of Library Trustee, and would appreciate your consideration.

I have lived in Hopkinton for 37 years. My husband Michael and I raised our daughter Alexis here, and she now lives in town with her family.

I have always been passionate about libraries. Growing up in Natick, I would disappear for hours into my local library, always coming out with a smile. When we moved to Hopkinton, one of my first actions was to apply for a library card. I like to say that I raised my daughter in the Hopkinton Library. It has been a source of pleasant reading, serious research, and everything in between.

Now that legacy of love for books and the library has been passed down to my granddaughters. I would like to give back by assisting as a trustee. I am currently a volunteer for the library and can bring the day to day experiences of our fantastic staff to the trustees. I also want to be a part of the transitions that the library will soon be going through as the projected addition moves forward.

I am a graduate of Boston University and a retired registered nurse, having worked in a local hospital, and, more recently, as a healthcare consultant.

I would appreciate your write-in vote for the uncontested trustee position. If you agree, please write in under "Library Trustee" on your ballot:

Susan E. Porter
348 Wood Street

Thank you,

Susan E. Porter
