

My name is Michael Hayes & running for Constable in Hopkinton. I have lived in Hopkinton for over 20 years. I decided to run for constable after researching roles in our community that may be a good fit for myself, speaking with Massachusetts Bay Constable Association (MBCA), and others who are engaged with constable's services (local court official, police and municipal employees) and this seemed the right fit and time for me to get involved.

My kids are older now, my son graduated HHS last year and finishing his first year as a cadet at the Massachusetts Maritime Academy and my daughter is a sophomore at HHS. I have been actively involved in their activities and interests, especially scouting with my son from Cub Scouts through him achieving Eagle a few years ago.

I work at Wegman's since the day the store opened in Northboro and being in retail setting often have two weekdays of each week and flexible schedule that allows me to serve as a Constable. Previous to Wegman's I worked in computer operations at State Street Bank as a bonded employee for about 25yrs.

If elected I plan to join the MBCA, attend regular meetings and educational programs. I will additionally become bonded through MBCA and filling out the paperwork to also be a Notary as an additional resource to the community.

Thank you for your consideration and request your vote on May 16<sup>th</sup> to be a Constable in Hopkinton.
