§ 210-222.1 Purpose. By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, manufacture, processing, distribution, sale, possession, testing and use of marijuana. The law provides that it is effective on December 15, 2016, and that a new state agency, the Cannabis Control Commission (CCC), is required to issue regulations regarding implementation by March 15, 2018.

Article XXXIII of the Zoning Bylaw allows Registered Medical Marijuana Dispensaries by Special Permit. The regulation of other types of Marijuana Establishments, however, raises novel and complex legal, planning, and public safety issues. The Town needs time to consider and address these issues, as well as the potential impact of the forthcoming Cannabis Control Commission regulations, by means of a comprehensive planning process to consider amending the Zoning Bylaw to regulate Marijuana Establishments. The temporary moratorium provided in Article XXXIIIA is intended to allow sufficient time for the Town to engage in such a planning process and to adopt suitable Zoning Bylaw provisions in a manner consistent with sound land-use planning objectives.

§ 210-222.2 Definition. As used in Section 5.6.6, the term “Marijuana Establishment” shall mean a marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer, or any other type of marijuana-related business, subject to regulation under Chapter 94G of the Massachusetts General Laws; provided, however, that a Registered Medical Marijuana Dispensary shall not be deemed to be a Marijuana Establishment.

§ 210-222.3 Temporary Moratorium. For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures as a Marijuana Establishment. The moratorium shall be in effect through August 31, 2018. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of Marijuana Establishments and other related land uses and structures, consider the Cannabis Control Commission regulations regarding Marijuana Establishments when they are issued, and shall consider adopting new provisions of the Zoning Bylaw governing the location, operation and effects of Marijuana Establishments for consideration by the 2018 Annual Town Meeting.

The order shall include the name and address of the alleged violator, the address at which the violation is occurring or has occurred, a statement specifying the nature of the violation, a description of the actions needed to resolve the violation and come into compliance, the deadline within which such actions must be completed, and a statement that, if the violator fails to come into compliance by the specified deadline, the Town may do the work necessary to resolve the violation at the expense of the violator. In addition, said order may require:

- Elimination of illicit connections or illicit discharges;
- Performance of monitoring, analyses and reporting;
- Remediation of contamination caused by the illicit connection or illicit discharge; and
- The implementation of source control or treatment measures.

B. Appeals.

Any person aggrieved by an enforcement order issued pursuant to Section 171-6.A may request a hearing before the Planning Board by submitting to the DPW and Planning Board, within 30 days of such order, a letter explaining why the order was not justified. The Planning Board shall thereupon schedule and hold a hearing regarding such request and, upon the close of such hearing, may uphold, modify or rescind the order as the facts and applicable law may require. The Planning Board's decision shall be deemed its final action with respect to the matters determined, and any further appeal shall be to a court of competent jurisdiction.

C. Action by the Town to Remedy a Violation.

If a violator fails to come into compliance by the deadline specified in an enforcement order, the DPW may do the work necessary to resolve the violation at the joint and several expense of the violator and property owner. For situations involving an immediate threat, the DPW may remove an illicit connection immediately and take such other action as is necessary to protect public health, safety or the environment. Written notice of any remediation action undertaken by the DPW shall be provided to the property owner by hand within 48 hours of the commencement thereof or by certified mail postmarked no later than the next business day.

D. Recovery of Costs.

If the DPW undertakes remediation work pursuant to Section 171-6.C, it shall, within 30 days after completing the work, notify the violator and the property owner in writing of the costs incurred by the Town, including administrative costs, associated with that work. The violator and the property owner shall be jointly and severally liable to repay the Town for those costs

The Planning Board shall schedule and hold a hearing regarding such protest and, upon the close of such hearing, may uphold, modify or rescind the costs required to be repaid, as the facts and applicable law may require.

If the amount due is not received by the Town by the expiration of the time in which to file such a protest, or within 60 days after the final decision of the Planning Board or (if appealed to court) a court of competent jurisdiction resolving that protest, the amount of the Town's costs shall constitute a lien on the property pursuant to M.G.L. Chapter 40, Section 58. Interest shall accrue on any unpaid costs at the statutory rate, as provided in M.G.L. Chapter 59, Section 57.

E. Civil Relief.

If a person violates any provision of Chapter 171 or an order issued thereunder, the Town may seek injunctive relief in a court of competent jurisdiction restraining the person from activities that would create further violations or compelling the person to abate or remedy the violation.

F. Criminal Penalty.

Any person who violates any provision of Chapter 171 or any order issued thereunder may be punished by a fine of not more than \$300.00. Each day or part thereof that such violation occurs or continues shall constitute a separate offense. A criminal complaint may be filed by the DPW or Planning Board, with the authorization of the Board of Selectmen.

G. Non-Criminal Disposition (Ticketing).

As an alternative to criminal prosecution, the DPW or Planning Board may elect to utilize the non-criminal disposition procedure set forth in Chapter 1, Section 1-4 of these Bylaws. The penalty for the first violation shall be \$100.00. The penalty for each subsequent violation shall be \$300.00. Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

H. Entry to Perform Duties Under this Bylaw.
