

## **Amy Markovich for Parks and Recreation Commission**

I am running for re-election for one of the two open seats on the Parks and Recreation Commission.

My husband and I moved to Hopkinton 21 years ago and have three teenagers in the Hopkinton School System (ages 14, 15, 16).

I earned both a BS in Accounting and a Masters in Taxation from Northeastern University.

I am a Tax Professional working here in Hopkinton (both corporate and personal taxes). Over the past 10 years I've been very active within the community as a Youth Coach (soccer and lacrosse) , Board member (Hopkinton Youth Soccer Association and Boy's Youth Lacrosse) and various other volunteer roles.

On May 15th, I would be honored to earn your vote and serve another three year term on the Parks and Recreation Commission where I'll continue to do my best supporting the needs of this wonderful Town.
