

## **Margie Wiggin - Board of Library Trustees**

As you may know, I love Hopkinton's charm, schools, and natural resources. I was considering a run for Planning Board or Board of Selectman, but am pleased that there are many good candidates for these positions, and have decided to run for Board of Library Trustees. I have been on Youth Commission for many years, on Cultural Council before that, and have worked in the Hopkinton Schools for 11 years. I have written some children's books, published through Amazon, and worked as a Library Assistant at Hopkins School as well as in Wellesley as a Library assistant in High School. My mother worked as a Children's and Reference Librarian in Wellesley for 30 years, so Libraries and books are near and dear to my heart.

I must also say that I am delighted to endorse the candidacies of Muriel Kramer for 5-year Planning Board, Amy Ritterbusch for 5-year Planning Board, Kelly Karp for 3-year Planning Board and Irfan Nazrullah (grew up in Hopkinton and still here as a lawyer now) for 1-year Planning Board. I also very enthusiastically support and endorse Amman Haidri for Board of Selectman. Amman is very accomplished and experienced in business and finance and will be an excellent addition to our already excellent Board of Selectmen.

Let's work together to keep Hopkinton the charming, historical, naturally beautiful, friendly and special place it has been.

Margaret Wiggin (Margie)
