To Madam President and fellow Planning Board members,

I am writing to give my formal notice and that I will be resigning my position as Planning Board member effective immediately.

To further my career legal field, I have accepted a position with the Commonwealth of Massachusetts. This position deals with confidential and proprietary information and to avoid any conflicts of interest, it is imperative that I step down.

I am incredibly grateful for the opportunity to be part of the Planning Board these past couple of months. It was a great experience to work with such a dedicated group of board members.

Sincerely,

Patrick Atwell
